

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 98-831

April 27, 1999

PASSAMAQUODDY WATER DISTRICT
Application for Approval of
Issue of Securities (§ 902)
(\$1,156,150)

AMENDED ORDER

On October 29, 1998 the Passamaquoddy Water District (the District) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$484,900 through the State Drinking Water Revolving Loan Fund, administered through the Maine Municipal Bond Bank, at an annual rate not to exceed 0 percent. The debt will be paid over a term not to exceed 30 years. Under the disadvantaged community assistance provisions of the Revolving Loan Fund \$363,675 of the bond issue will be principal forgiveness, resulting in a principal payback of \$121,225.

In a letter from Richard Schade, attorney dated April 22, 1999, the District is requesting that the application be amended to reflect a bond in the amount of \$1,156,150, of this \$867,112.50 will be principal forgiveness, resulting in a new principal payback amount of \$289,037.50. All other terms in the bond application remain the same.

The District requires these funds to install new water mains at Quoddy Village, Eastport and to effect dam repairs at the filtration plant in Perry, **and for the replacement and relocation of the District's standpipe.**

Pursuant to an Amended Delegation Order dated January 9, 1996 in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., Chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for MMBB, RECD and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the Office of the Administrative Director.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the

Commission that the proceeds of the issuance of the bond are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to § 902(4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, pursuant to the Amended Delegation order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

Dated at Augusta, Maine, this 27th day of April, 1999.
